About Us

We are a fun, outgoing couple who began full-timing in Jan of 2018. We travel in the warmer months and head south in the colder months. We are very familiar with camping, campgrounds and RV Parks and the generally accepted rules and operation of each. We have both held private employment and workamping positions that have given us significant experience. Joby is also a US Army veteran. With our experience and abilities, we would be a welcome addition to your workamping staff. We do not smoke or drink, we don't use foul language, we keep our area

neat and clean, and our only pets fiona is a small, quiet and very friendly Boston Terrier and Nunie is a 11yr old mature staffordshire terrier..

We are the type of folks that will pick up trash and take it to the trash can even in parks we aren't working at, and when we are assigned a job to do, we do it right the first time. We also honor our commitments. You are also welcome to contact us with any questions.

Goal

A part-time/full-time position in which we can assist the management and guests so that everyone has an enjoyable and memorable time, including us! We are looking for a position for the winter season in warmer climates including Georgia, Florida, Alabama, Louisiana, Texas, Arizona. We can do most tasks with the exception of heavy lifting. We would be open to any of the following positions:
